

Steiermarkhof, Graz, Austria

Date: April 22-23, 2026

**Save the date**

**INTERNATIONAL CONFERENCE**

## **Women in Forestry: Connecting Across Borders and Generations**

The main focus of the conference:

- [Showcasing Progress](#): Presentation of best practices and pilot activities that demonstrate tangible steps toward gender equality and innovation in forestry.
- [Future-Oriented Dialogue](#): Identifying what is still needed to accelerate change and foster inclusive leadership.
- [Cross-Border Collaboration](#): Strengthening international networks and partnerships for women in forestry.
- [Celebrating Achievements](#): Reflecting on milestones reached and recognizing collective efforts.
- [Empowering Women](#): Promoting diversity, equity, and leadership opportunities across the forestry sector.

Let's get  
together!

The final program and conference details will be announced in February.
